100% MADE IN ITALY

Mandelli vuol dire da sempre ricerca, innovazione, prodotto e servizio. Il successo dell'azienda nasce innanzitutto dal lavoro: professionalità e creatività individuale si fondono per creare soluzioni e prodotti innovativi sia nel contenuto sia nella forma, in grado di migliorare la qualità degli ambienti in cui viviamo.

Crediamo profondamente nel Made in Italy, espressione del talento creativo e dell'ingegno produttivo tipicamente italiano ed apprezzato in tutto il mondo. Massima è l'attenzione dedicata a partire dall'ideazione del prodotto, ai materiali impiegati; l'ottone, la nostra materia prima, italiano e di primissima qualità fuso e stampato nel nostro stabilimento in Brianza. Tutti i processi di rifinitura e di controllo che precedono l'imballaggio sono eseguiti con la cura e la dedizione che gli italiani sanno dare.

È con orgoglio che possiamo marcare i nostri prodotti con il logo **"100% MADE IN ITALY"** (come previsto dall'art. 16 del decreto legge n. 135 del 25 settembre 2009): *"si intende realizzato interamente in Italia il prodotto o la merce, classificabile come made in Italy ai sensi della normativa vigente, e per il quale il disegno, la progettazione, la lavorazione ed il confezionamento sono compiuti esclusivamente sul territorio italiano."* Non esportiamo nel mondo solo un manufatto, ma una cultura dell'oggetto realizzato ad arte, un gusto derivato da antiche tradizioni italiane di altissimo artigianato che negli anni ha saputo crescere e utilizzare le migliori tecnologie.

100% Made in Italy
senza compromessi.

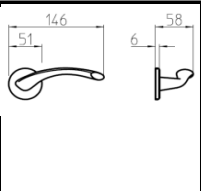

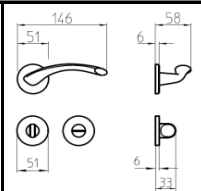

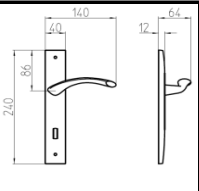

Mandelli means product research, innovation and service since ever. The Company's success is first of all based on our team work: individual creativity and professionalism merge to create innovative and original products to improve the environment where we live. We deeply believe in our "Made in Italy", result of the Italian talent and manufacturing efforts, appreciated all over the world. We're now proud having the authorization to mark our products with the logo **"100% MADE IN ITALY"** (as per Order in Council n. 135 art. 16 dated 25th September 2009): *"Is 100% Made in Italy the product designed, thought-out, produced and packed entirely on Italian territory".*

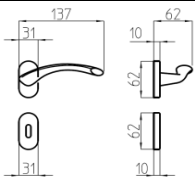

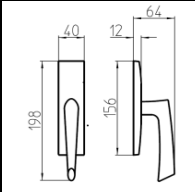

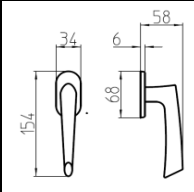

In our plant, located in Senna Comasco we conceive the design, we realize the prototype, we concretize our idea casting only first quality Italian brass. We pay our utmost attention to product finishing and quality control as well as to final packing. From the factory we dispatch our products all over the world: we do not only export a product but a philosophy and a culture for a state-of-the-art product coming from our Italian handicraftsmen tradition even using the best available technologies in the industry.

100% Made in Italy
with no compromises.
